

I love myself
unconditionally

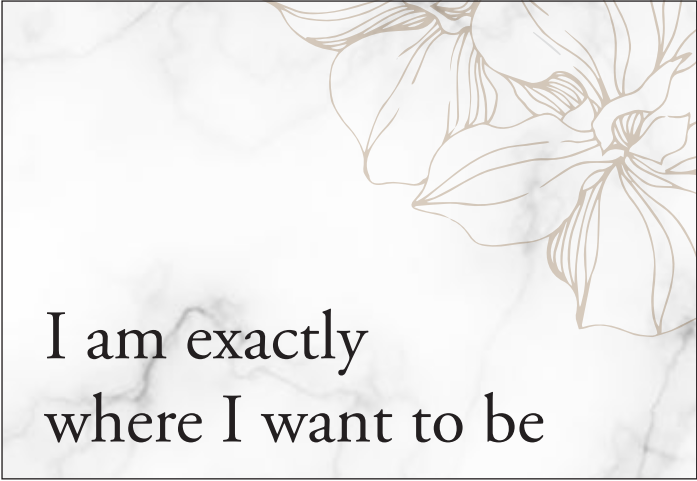

I can
achieve anything
I want to

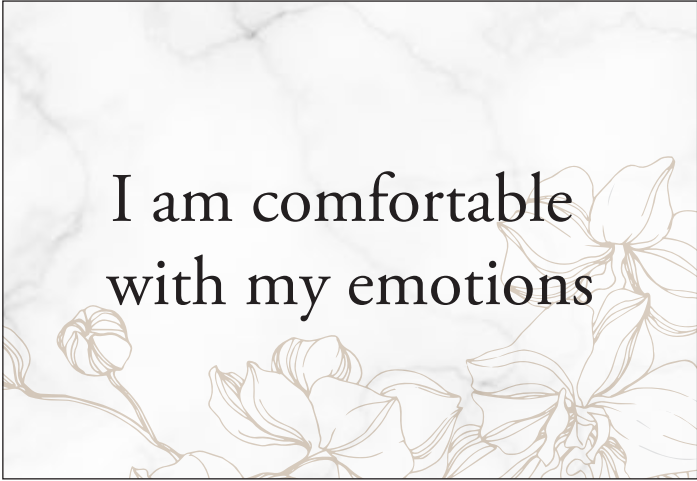

I have a perfect body

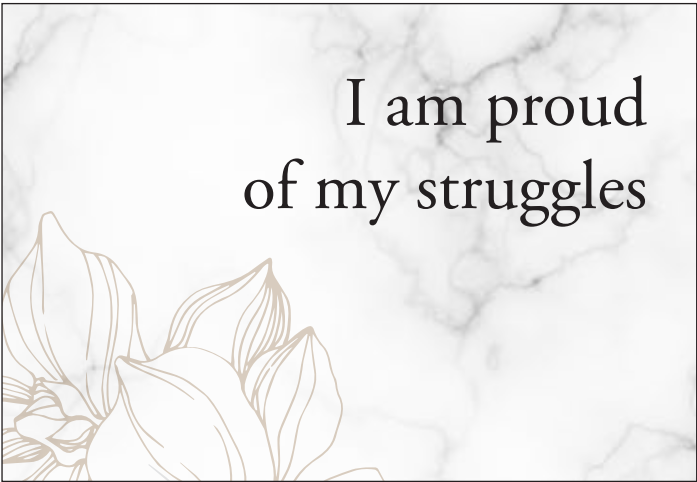

I am safe & secure

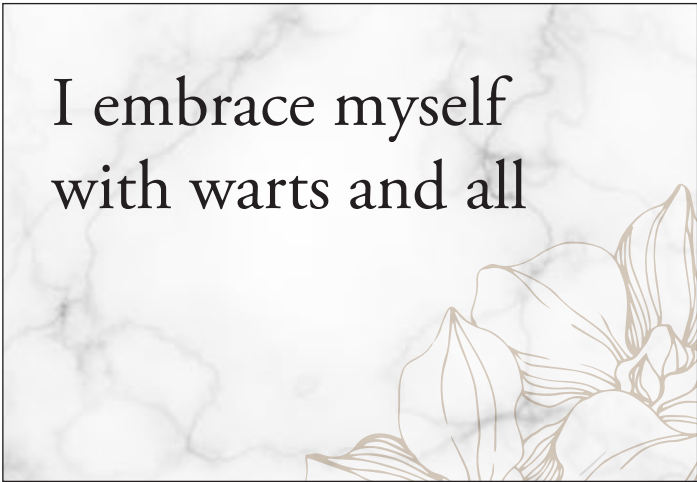

I am exactly
where I want to be

I am comfortable
with my emotions

I am proud
of my struggles

I embrace myself
with warts and all

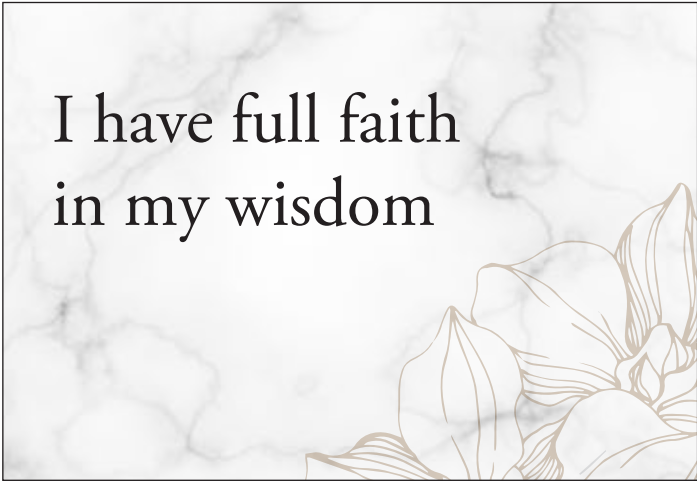

I am healing
as expected

I have faith in myself

I trust my intuition

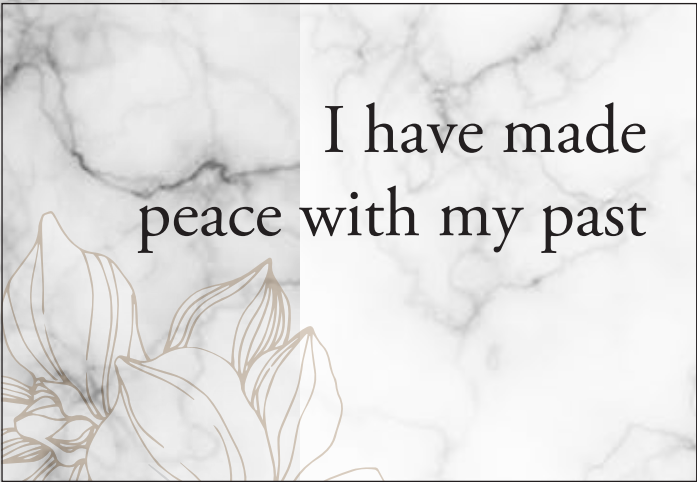

I have full faith
in my wisdom

I treat myself
with love and care

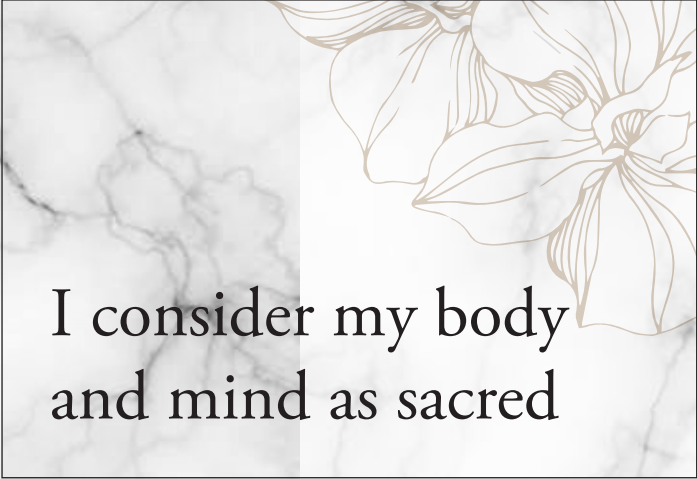

I am proud of
my achievements

I have made
peace with my past

I am enveloped in love

I consider my body
and mind as sacred

I am loved

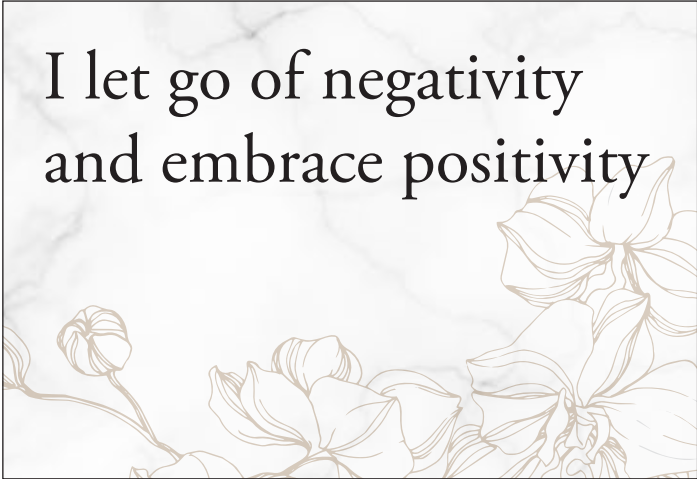

I have
unconditional support

I deserve
the best in life

I feel secure
to be myself

I let go of negativity
and embrace positivity

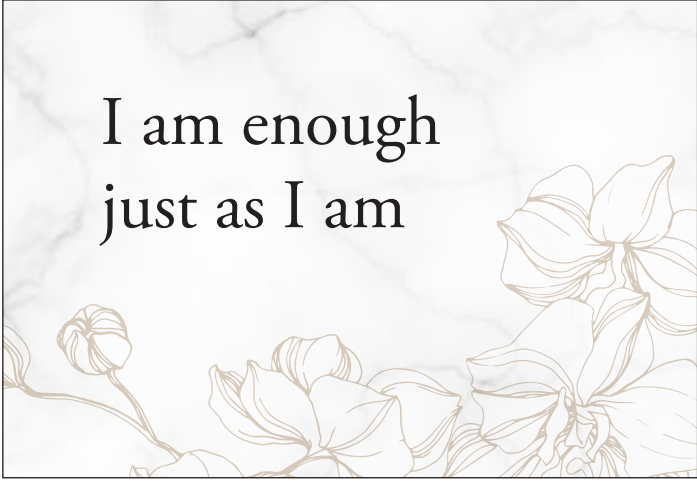

I have confidence
in my abilities

I believe in myself

I am happy & radiant

I am enough
just as I am

I am capable

I am in command

Yes, I can

I am kind and
compassionate

I am
perfectly imperfect

I am doing
the best I can

I am beautiful
inside and out

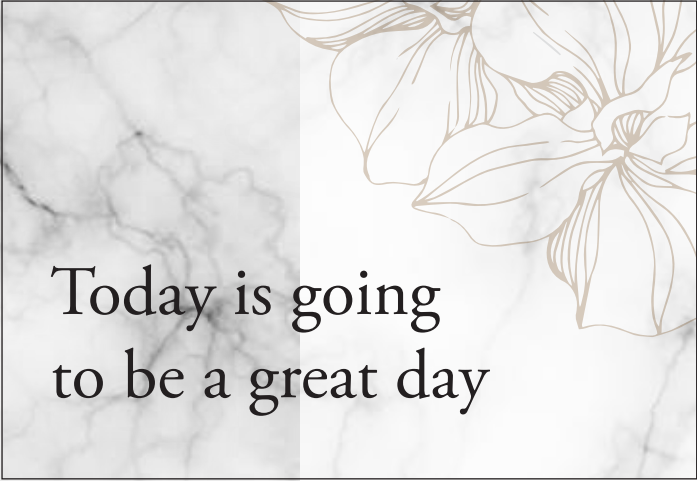

I deserve love
and respect

I can handle anything

I am grateful
for everything

Today is going
to be a great day

I deserve kindness

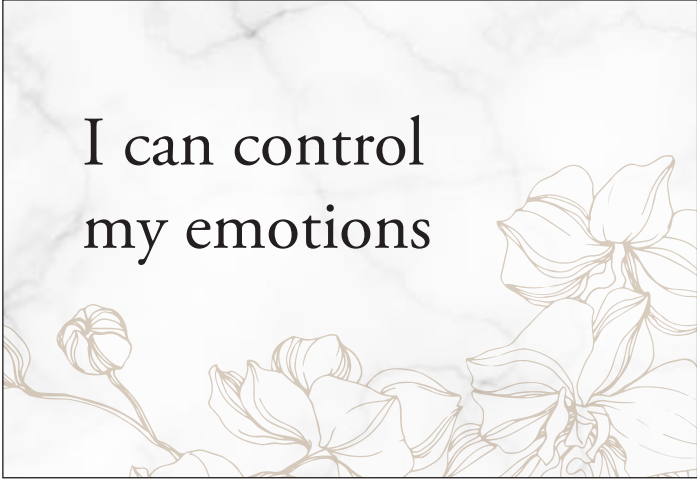

I am talented

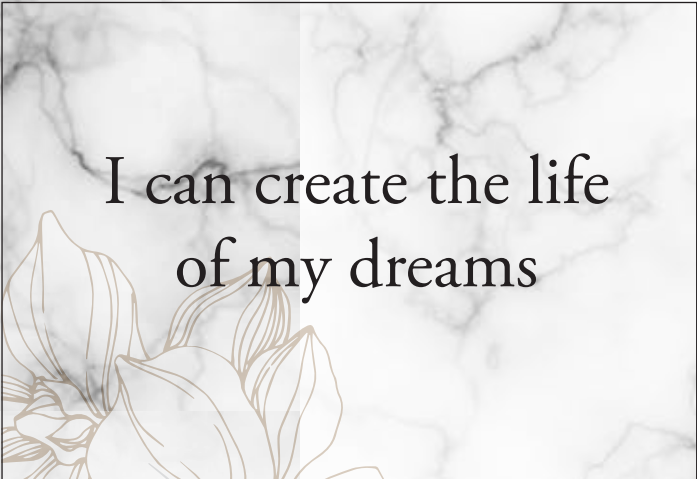

I am free of regret
and concerns

I have the power
to transform

I can control
my emotions

I can create the life
of my dreams

I am lovable

I am optimistic

I am a survivor

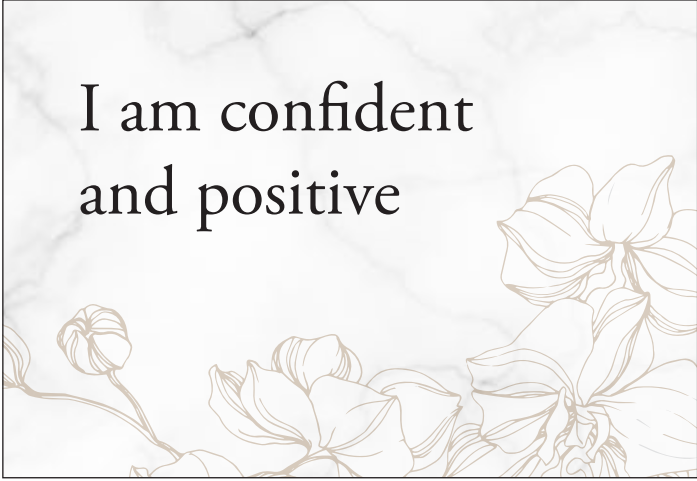

I respect myself

I am a fighter

I am growing
at the right pace

I am confident
and positive

I have lots to offer

I am resilient

I deserve rest
and healing

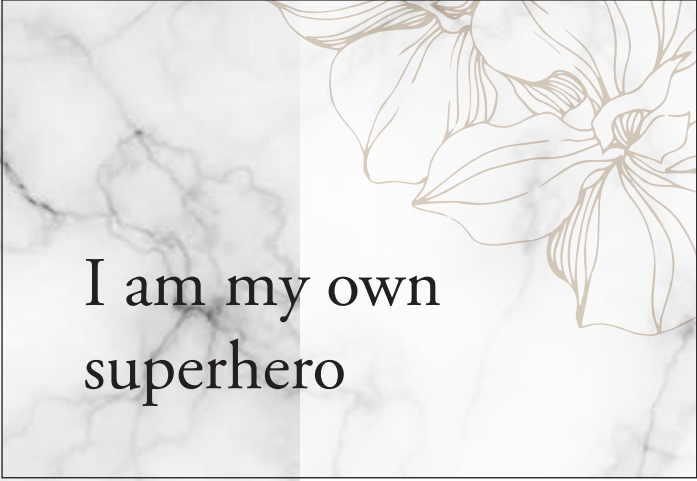

Today is my day

I am happy & content

I can contribute well
to the world

I am my own
superhero

The best
is yet to come

I believe in my dreams

I am enjoying life
